New Task Forces Formed:		
Task Force Name	Summary of Task	Names of TF Members
2017-05	Address Caltrans, FL, MI negative and comments by NY and PA for M 294	Mike Pluimer, NC, VA, MI, FL, CA, NY, PA
Research Liaison:		
Other Action Items:		
<p>1.) Chair: Will look into an answer to these two questions. If an explanation is found out before the meeting, the explanation will be shared with TS. PPI: The buckling is not a test for polypropylene. This comment refers to the calculated deflection limit for flattening. The Chair will be in touch with LA. (related to M 330)</p>		
<p>2.) Chair: Will ask Task force 2017-02 to reconvene and consider each of the suggested comments and arrive at consensus. (related to M 252 and M 330)</p>		
<p>3.)Task force 2017-01 was not able to update M 190 specification in time for a concurrent TS and SOM ballot. M 190 will be prepared for review and a technical section ballot in 2018.</p>
