

## **SOM Awards Nominations**

### Subcommittee Achievement Award

**Recipient: James Williams (MS)**

**James was nominated for a SOM Achievement Award** for his work as Regional Vice-Chair, AMRL ATG Chair and Technical Section Chair.

### Subcommittee Service Award

**Recipient: Colin Franco (RI)**

Word has it Colin is expected to retire this year so he was nominate to receive the **Service Award** for Chairing TS 4d for over 4 years (and approx. 26 years of service to the SOM).

### Subcommittee Innovation Award

**James Williams to Present this award:**

Based on the national acceptance of this innovative approach to design and construction of cement treated bases, I nominate the following for the 2016 SOM Innovation Award.

*Design and Construction Control Guidance for Chemically Stabilized Base Layers Using the PM Device*

*MDOT Research Divisions and Materials Divisions*

*Dr. Isaac Howard, PhD, PE, Mississippi State University*

*William Sullivan, Mississippi Department of Transportation*

*Brennan Anderson, Graduate Student, Mississippi State University*
